

Clean Boats/Clean Waters Program

Help Wanted: Boat Landing Inspector for 2023 Season

This position is very important to keep our lakes Clean and Healthy

we need your help!

It is a great opportunity for a seasonal job.

Duties to include:

- Inspecting watercraft going into or coming out of the Three Lakes Chain. Briefing the watercraft owners of safe practices in preventing the spread of aquatic invasive plant species.
- Gaining the cooperation of the water craft owner in a positive manner.
- Aiding watercraft owner whenever possible to remove plants that remain on the watercraft
- Periodic down time during a shift can be filled with personal interests that can be easily be performed at the landing.
- Offering 32 hours per week from the Memorial Day weekend thru Labor Day weekend.
- Landing assignments will be rotated to provide variety.
- Valid Driver's license and personal transportation required.

Hourly wage range: Starting Wage \$15.00/hour. Work Week: **Thursday through Sunday**

If you would prefer to volunteer your time and talent that would also be very much appreciated. Flexible shifts and landings are available.
