The homeowner is responsible for paying all construction costs and will be reimbursed when PAID receipts are turned in. Winners may qualify for up to \$5,000 (first place), \$2500 (second place) and \$1000 (third place).

I understand that the purpose of this contest is to improve habitat and water quality on my shoreland property and/or prevent storm water runoff and erosion through implementation of conservation practices. In addition, TLWA hopes to promote these practices for other lakeshore owners to consider on their properties. I authorize TLWA permission to use the improvements to showcase the improvements with photos and press releases. I agree that installed practices will remain in place and be maintained for 10 years. If accepted, I agree to provide paid invoices to TLWA for reimbursement. Signing this application does not obligate me to participate in the program nor does it obligate TLWA to assist me.

Return application to Ceci Kiefer, 6226 Ledge Top Dr, Greenleaf, WI 54126 or by email to cckiefer@gmail.com.
